THROUGH THE DREAM DOOR TO YOUR DREAM WORLD

INDIA'S FIRST-EVER MARKETER OF  
FRP PRODUCTS WITH SOLID SURFACES

# About Us

Dr. Door is India's first ever marketer of FRP products with solid surface(Korean top). Doors and frames made from Fiberglass Reinforced Polymer(FRP)with solid surface(Korean top) are the leading product of Dr. Door. We deal with self pigmented doors. You can choose from a variety of shades for your doors. Smooth, matte and veneer finishes are made available to make your doors stand out. The fire-retardant properties of our doors make them less vulnerable to fire. We create stunning doors matching your interiors and floor. Be ready to enter your dream world through the dream doors.

# IMPERIA

Imperia doors are one of the unique attractions of Dr Door who is India's first-ever marketer of FRP products with solid surfaces (Korean top). The leading product offered by Dr Door is Fiberglass Reinforced Polymer (FRP) doors with solid surfaces. The Imperia door is the perfect choice for your needs as they perform higher norms compared to the known products in the market. Your doors come in a variety of shades with smooth, matte and veneer finishes that make your doors stand out. We create stunning doors matching your interiors and are fire-retardant.
